

Greetings Susquehanna Valley Country Club Members,

My name is Kevin Jamieson, and I am extremely excited and honored for the opportunity of being your new Head Golf Professional. I reside in Lewisburg with my wife, Courtney, our son Jett (7) and our daughters Tymber (5) and Pyper (11 m.). We are life long residents of the area and have many extended family members that live here as well.

Most recently, I was the assistant Golf Professional at Bucknell Golf Club. I was hired there 16 years ago, to oversee all the daily operations and organize all of the tournaments. I also started the Woman's Golf Team at Bucknell and coached them to several tournament wins and a Conference Championship. Before my tenure at Bucknell, I spent several years working in the Private Country Club Sector with positions at The Country Club of Naples, The Sanctuary on Sanibel Island and Williamsport Country Club. I am eager to be able to bring my knowledge and experiences from these advantageous clubs to SVCC and hope we can work together to make the golf club the best it can be.

My vision for the direction of the golf side of things at SVCC is to help grow the game and your experiences in all aspects. I have a love and passion for teaching golf to players of all ages and abilities. I want to be visible, accessible and approachable. My door will always be open and I will be more than willing to help you with your swing, fit you for a new driver, match a golf shirt to your new shorts or recommend a great and comfortable golf shoe.

Finally, and most importantly, I want to devote a lot of my attention to growing and enhancing junior golf at the club. As a teacher and father to young children, there is nothing more rewarding than seeing the smile on a child's face when they make their first double bogey, then turn it into a bogey, their first par and then the ever-elusive BIRDIE! I want to make golf fun and exciting for our youngest members and extend the family feel that already exists.

In closing, I'm excited for the snow to melt and for the rounds to start. Please feel free to contact me at any time with any questions or ideas for the golf course. Let's put down our phones, get out from behind our desks, get the family together and play 9! I look forward to meeting each of you and serving you the best way that I can.

Sincerely,

Kevin Jamieson
